

How to play Bust the Cuba Blockade Bingo!

Let's have fun while we participate in NNOC's 2024 **Bust the Blockade Advocacy Push.**

Instructions

1. Get the Bingo card. You can download it here: <https://www.seattlecuba.org>
2. Play Cuba Bingo on your smartphone or laptop, or print the PDF card.
3. We suggest you play as teams, or you can play as an individual.
4. Choose one of the Activities along the top edge of the card:

- * Phone calls (calling Congress and the White House)
- * Your letters (send a letter to Congress or President Biden)
- * Electeds letters (ask your elected representative to send a letter to Congress or President Biden)
- * Meetings (arrange a meeting with your Congress member's foreign policy staffer)
- * Rallies (reach out to the public about Cuba)

5. Complete the steps listed in the column beneath the Activity:
Study > Organize > Prepare Content > Recruit > Act

6. When you've completed all the steps, your team has won **Bingo** & you qualify for a Bingo prize! (and you've helped Cuba get off the SSOT List)

7. To claim your prize, contact chrispforr@hotmail.com with a summary of your Bingo steps and he will send you a Cuba Bingo prize.

* The game will end Feb. 3, 2024, but our advocacy work will continue. *
